

STATE OF NEW HAMPSHIRE - TOWN OF KENSINGTON
DRIVEWAY PERMIT APPLICATION

DATE: _____

I hereby request permission to construct a driveway entrance to my property:

APPLICANT: _____ PERMIT#: _____ TAX MAP/LOT#: _____ STREET ADDRESS: _____

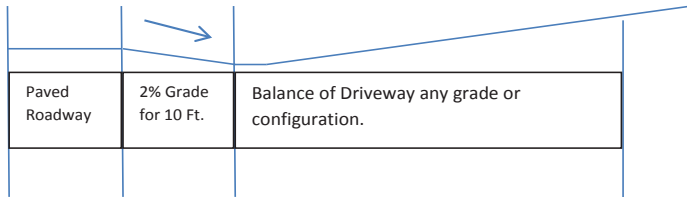

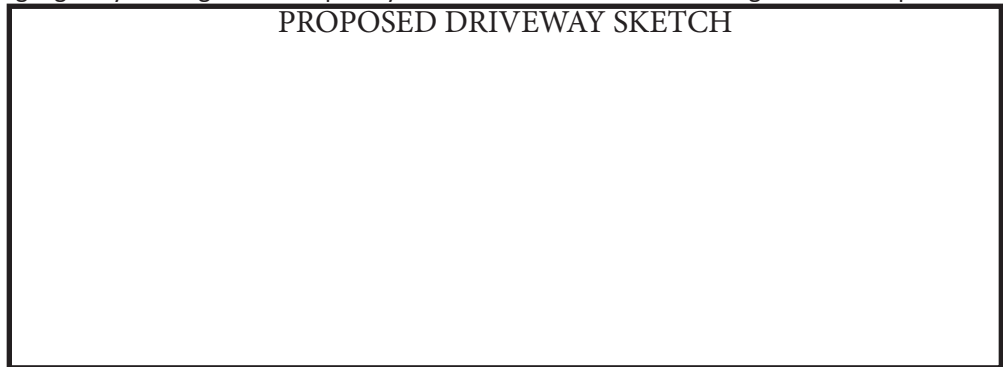

NOTE TO APPLICANT: This Driveway Permit Application is in keeping with the requirements set forth in Article 2, (Driveways and other Accesses to the Public Way, amended) of the Zoning Ordinance & Land Use Regulations for the Town of Kensington. *It's your responsibility to contact Dig Safe prior to installation.*

As the landowner/applicant, I hereby agree to the following:

- To construct the driveway at the permitted location described in this permit in accordance with statutes and regulations of the Town of Kensington.
- To hold harmless the members of the Kensington Planning Board, the Town of Kensington and its duly appointed agents and employees against any action for personal injury and/or property damage sustained by reason of the exercise of this permit.
- To furnish and install drainage structures that are necessary to maintain existing highway drainage and adequately handle increased runoff resulting from development at my expense.
- To pay a \$100.00 Permit Fee to the Town of Kensington Road Agent.
- Please stake out the driveway location for Road Agent to review.

Grade of driveway shall not be less than 2% and not more than 5% away from road for a distance of 10' from the road. Grades in excess of 5% shall necessitate review by the Town Road Agent and Town Engineer to determine the impact on town roads.

Driveway culverts shall be corrugated metal pipe, a minimum of 12" diameter with a minimum of 18" of gravel over pipe. Culverts shall be a minimum of 20' long if located in the Town's Right of Way.

I certify that the preliminary sketch of the proposed driveway indicated in this permit is accurate. I further agree to provide additional detailed drawings as may be required by the Road Agent and/or Planning Board and to comply with the Town of Kensington Driveway Regulations.
